I, DAN JACKSON, declare and state that:

1. I am an attorney licensed to practice before this Court, and am associated with the law firm of Keker & Van Nest, LLP, counsel for defendants Comcast Cable Communications, LLC and Insight Communications, Inc. in the above-captioned action. I have knowledge of the facts set forth herein, and if called to testify as a witness thereto, could do so competently under oath.

2. Attached hereto as Exhibit A is a true and correct copy of a letter I sent to Alan P. Block, counsel for Acacia, on January 5, 2006.

3. Attached hereto as Exhibit B is a true and correct copy of Mr. Block's response, dated January 13, 2006.

4. Attached hereto as Exhibit C is a true and correct copy of a January 13, 2006 letter from Roderick G. Dorman to all counsel of record and its attachment, a proposed stipulation.

5. Attached hereto as Exhibit D is a true and correct copy of a letter I sent to Mr. Block on January 19, 2006 along with its attachment, a revised (redline) draft of the proposed stipulation.

6. On January 20, 2006, I spoke with Mr. Block by telephone. He informed me that Acacia was not willing to enter into the revised stipulation that I had proposed and that instead, it would file its own motion for summary judgment of invalidity and noninfringement of the '702 patent, and for certification under Federal Rule of Civil Procedure 54(b).

7. Attached hereto as Exhibit E is a true and correct copy of a letter to me from Alan Block dated January 24, 2006.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. Executed on April 28, 2006, in San Francisco, California.
